I acknowledge that, as parent/legal guardian, I am required to fulfill a work obligation in compliance with the current Parent Work Commitment Policy as set forth by the St. Norbert Athletic Commission. According to this Policy, I understand that **I am responsible to work a minimum of 4 points for each registered child, per sport, or I may choose to "buy-out" of this responsibility at a cost of \$50 per child, per sport.** There is a 10 (ten) point family maximum per each sport season.

I am aware and I agree to adhere to all requirements and fines of the Parent Work Commitment Policy. I realize that this new policy has been modified to make it the ultimate responsibility of myself, as the parent/legal guardian, to pay or work my points. It is no longer the responsibility of the team parent, coach or team manager to make certain that my point commitment has been met. I also realize that any person performing work obligations must be **at least 21 years of age** in order to satisfy my point commitment.

I understand that my \$50.00 PWC check will be destroyed upon completion of my commitment. I also understand that if I do not work off my point commitment, I will be subject to the current \$50 "buy-out" fee per child, per sport. No children allowed in concession area

I understand that SNAC reserves the right to carry over any unfulfilled work commitment points into the following sport season(s)..

I would be willing to work in the following areas:
